

Wish You Were Here: *Lucas Bononi*

When did you live in the Bay Area, and what brought you here?

From 2012 - 2016 to do my BFA at the Academy of Art University in San Francisco.

What prompted you to leave?

Moved to Aspen Colorado to live with my soon to be wife.

Where did you end up?

After it all I ended up in New York.

Has your artwork changed or evolved since you left the Bay Area?

Yes definitely, I started experimenting with new techniques, such as academic painting and abstract expressionism.

What are you up to now?

Now I am developing a series titled "The Forest"!
